

Dear Presidents,

I am sure you are already looking forward to the Elective Assembly 2027 with great enthusiasm, aren't you? It is truly a time of grace for all of us—a precious opportunity to reflect on our life and mission and thank God for His presence with us; to look ahead with hope as we prepare for the next six-year term.

Inspired by this spirit, the Confederation's Communication Team would like to invite you to participate in a special initiative to share the beautiful signs of hope flourishing in our Federations with the whole Confederation. As Jesus reminds us:

"Let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven." (Matthew 5:16)

The Elective Assembly, which will bring together representatives of the FMA Past Pupils from around the world, is the perfect occasion to share these experiences.

We warmly invite you to send us **photos or a short video** highlighting one or more of your charitable initiatives related to **hope, peace, or care for creation and humanity**.

Please follow these guidelines:

- **Format:** Landscape orientation, MP4.
